

Position

Corrections Security Caseworker
Open to Upper-level Undergraduate Students

Location

Minnesota Correctional Facility (MCF) – Red Wing
Constructed in 1889, the MCF-Red Wing provides treatment, education, and transition services for serious and chronic male juvenile offenders placed at the facility either as a condition of court-ordered probation or as the result of having been committed to the commissioner of corrections. Juvenile residents participate in the facility's cognitive/behavior restructuring and skill development treatment program. Risk/needs assessments are completed for each resident, and outcomes are used to develop the resident's individual treatment plan. Monthly and quarterly reports are used to measure progress toward treatment plan completion. All residents are expected to develop an individualized relapse prevention plan and demonstrate its effectiveness during daily activities prior to their release.
